ADSA SUSTAINING MEMBERS

The American Dairy Science Association is now in its 71st year of publishing research work. Through the *Journal of Dairy Science* the latest technical and scientific information is provided to all segments of the industry. Never before has the demand been as great as it is today to publish the scientific work in progress throughout the world.

In support of the efforts to continue to publish the works of those dedicated to the betterment of mankind and the dissemination of knowledge we express our appreciation to the following organizations who support the American Dairy Science Association and the *Journal of Dairy Science* through Sustaining Membership.
